2010 CRUISIN & ZOOMIN SEASON BY LINDA ZIMLIKI

Another year of zoomin is just around the corner. This year we have 19 events and cruises. 17 are listed and I'm waiting for 2 to pick their date. The Tech session will be a little later this year due to Easter. We have some open spaces if anyone wants to do a cruise. Topless In the Mountains will be limited to a small number so we are having another cruise that weekend. It will be on Saturday. Club policy is one cruise per weekend. If you have an event or another club's event please forward it to me. I will make sure the membership gets the information.

Other clubs' events will be posted on our Calendar of Events page with a link. I will also post it in the newsletter and/or send an email. This year we have:

CRUIS'n With Jim BY PRESIDENT JIM PFEIFFER

Alas! Winter is over, the snow has melted and spring is in the air! We look forward to the open highways and the twisty, winding country back roads where we can put our Miatas to the test. It is time to take that car (for some of us) out of the garage, shine it up, put down the top and let the sun shine in.

It has been a long winter, but we did have some interesting events. Our Christmas Party was a huge success especially with having "Elvis" for our entertainment. The Pittsburgh Auto Show in February went well. Thanks to all who participated in this event and made it a success. We talked to people that own Miatas that did not know about the West Penn Miata Club. Hopefully, we enticed them to join.

There are many exciting events and cruises planned for 2010. Our big event is our Regional which will take place from June 24-27th at Seven Springs Resort in Somerset, PA. All who have registered are looking forward to an exciting weekend. Check out the list of car cruises being planned by members of our club. There are still spots open for additional cruises. If you have an interest in heading up a cruise, please get in touch with our Event Coordinator and she will work you into the schedule. Later in the summer we will have our picnic. Always a fun time - Put it on the calendar.

So, get the car ready for that start-up cruise, May 1st, and we will zoom, zoom zoom.
